a very special invitation

July 24, 2004
7 PM – 11 PM

You are cordially invited to join your fellow guild members and invited "friends of the guild" for a sneak preview of our annual photo exhibition, an insightful new series of photo art, capturing the light and life by the sea in Falmouth.

Select a few of your favorite black and white, color images or photomontages to share or sell. Then join your friends and kindred spirits at the main gallery for an evening of fine conversation and photography to remember!

Professional and amateur photographers are encouraged to submit entries to the gallery by July 20, 2004.
